

GOTAFE provides Senior Secondary school qualifications across our region for students who wish to complete the Victorian Certificate of Applied Learning (VCAL) or the Victorian Certificate in Education (VCE). We are committed to providing an excellent course to re-engage individuals in learning who may not have completed schooling within a school setting. GOTAFE provides an opportunity to link with other Vocational Education and Training as part of their VCAL certificate.

Each year GOTAFE monitors and analyses data related to the VCAL student participation, completion and outcomes.

The following graph indicating destinations for VCAL students completing in 2014. This data is a clear indication GOTAFE provides an engaging VCAL program that successfully ensures students improve their foundation skills, and increase options for further study and employment.
